### **Report of Remedial Coaching**

The UGC has introduced the Remedial Coaching Scheme for SC / ST Students from 1994. The scheme aims at improving the academic skills and linguistic proficiency of the students in the various subjects and raising their level of comprehension in such subjects where qualitative technical and laboratory work is involved and reduce their failure and dropout rate. In pursuance of this our college has also introduced the scheme for slow learners.

Objectives: 1) To strengthen their knowledge skills and attitudes in such subjects, where quantitative and qualitative techniques are involved so that the necessary guidance and training provided may enable the students to pursue higher studies efficiently. 2) To prepare slower students for competitive exams. 3) Scheme of remedial coaching at Undergraduate level for students belonging to weaker sections and minorities.

The process of mentoring is initiated as soon as the newly admitted students settled a bit. The Chief Mentors allocate different Professors as Mentors for the respective 1st Semester and 3rd semester rooms. An interactive meeting is organized with the mentors, Deans and Vice Principals to discuss on the issue and streamline the objective as far as possible. The mentors then chart out their course of action. The mentoring forms are not given out to the students. Rather they are asked to meet the respective mentors. After their discussion, the form is filled by the student himself in front of the

mentor. So the initial casual approach of the students in filling up the forms was done away with. The concept of remedial classes is mooted out. Students requesting such classes are selected from each of the ten rooms. They are then grouped into 3 groups and a comprehensive timetable is prepared for their remedial classes.

In the Arts & Science meeting of the remedial and tutorial committee it was unanimously resolved that the weak students of each departments be identified by the HOD and then follow up made by the teachers of the department as assigned by the HOD. A specific pattern of allotment of task has been drawn up, which is to be followed and maintained for record.

On trial basis students are identified -

- At least one from each class.
- A particular teacher allotted the responsibility
- The teacher looks into the academic, motivational and social adaptation pattern of the student.

If needed, senior students on specific subjects

Following students are benefitted by the Remedial Coaching:

**Report on Soft Skills**

**2022-23**

Soft Skills is a very popular term nowadays, used to indicate personal transversal competences such as social aptitudes, language and communication capability, friendliness and ability of working in team and other personality traits that characterize relationships between people. Soft Skills are traditionally considered complementary of Hard Skills, which are the abilities to perform a certain type of task or activity. Soft Skills are strategic to be successful in personal and professional life then is essential for the students when they try to obtain any kind of job. Enterprises generally hire new employees, in particular recent graduates, taking more in consideration their Soft Skills than their Hard Skills. This happens also for technical professions, because the company, in order to be competitive, needs to create good and effective teams and a collaborative working atmosphere. The departments of the college have organized various types of activities to develop the soft skills of the students enrolled with the institution. These activities of the departments and platforms available helped the learners to learn and acquire soft skills like Communication Skills, Presentation Skills, Written Communication, Interpersonal Skills, Creativity and Leadership etc.

In order to improve the communicative abilities of the students the Department of English and Prerna , the College Magazine to enhance the written communication of the students play significant role. The students are given in depth lessons by organizing workshops, state level elocution competition, interfaculty debates and group discussions and expert talks of the quality speakers and the trainers throughout the academic year. These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills.

To improve the Presentation Skills the departments conducted seminars of the students. The students get participated and perform active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The Department of English conducts the Poetry Recitation activity which helps the students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves. The institution has also developed well equipped Language Laboratory.

These activities benefit the students to enhance the knowledge of use of language and its spoken aspect. It helped the students for their development of communication skills.

To improve the Presentation Skills the departments conducted seminars of the students. The students get participated and perform active role in the Seminars. Topics are given to them to prepare and present to assess their performance. Every year the departments make the organization of such seminars a regular feature of the campus. The Department of English conducts the Poetry Recitation activity which helps the students to learn the presentation skills and enhances the creative capabilities among them. The Group Discussion is the routine practice of the campus may it be the part of the curriculum or not. They learn the art of argument which helps them in practical life ahead and thus develop interpersonal skills among themselves. The institution has also developed well equipped Language Laboratory.

## Report on International Yoga Day – 2023

**Title/ Theme of Event:** International Yoga Day.

**Duration & Date:** 1.5 hrs & 21/06/2023

**Time:** 1.30 pm to 3.00pm

**Venue:** –Campus , Takshashila Mahavidyalya.Amravati

**Introduction:**

Since 2015, International Yoga Day is celebrated on June 21st every year. It is observed on the summer solstice every year. The date was selected because it coincides with the longest day of the year in the Northern Hemisphere and has special meaning in many parts of the world.

Different themes utilised while celebrating International Yoga Day.

yoga for **Vasudhaiva Kutumbakam** is the theme for this year's International Yoga Day 2023, which beautifully captures our shared aspiration for **"One Earth, One Family, and One Future."** From the United Nations headquarters in New York, Prime Minister Narendra Modi will lead the global celebration of yoga this year.

The motto for IDY 2023 is "Yoga for Vasudhaiva Kutumbakam," highlighting the theme of global unity.

**Objectives:** Sahaja Yoga helps restore balance and a sense of well-being and improve self-esteem. It also revitalizes energy, restores optimism, peace, and contentment. You'll develop the ability to self-regulate your attention and focus on the present moment with curiosity, openness, and acceptance.
